ALLCOCK'S POROUS PLASTERS. Step by step this commodity has attained its unprecedented fame. They are universally approved. They support, strengthen and aid the growth of muscles. They appear to have a peculiar effect upon the nerves, alwaying irritability, while sapplying warmth. They seem to accumulate electricity, and aid the direculation or the blood through the part where applied, by which healthy actions are induced. Even in paralysis, where articulation was suspended, the use of the Porous Plasters to the spine restored the articulation, and materially reduced the paralysis. In fact, the patient could help herwelf, while before the Porous Plaster was applied she was as help-less as a baby. We refer to Mrs. Sally Elliott, Springfield, Mass.
